

Come Explore the Universe with the Dark Skies, Bright Kids Astronomy Summer Program!

We are offering a week-long astronomy club
and can't wait for the fun to begin!

You will get the opportunity to:

- Explore the night sky and travel to other planets with our portable planetarium!
- Learn about galaxies, distant solar systems, and alien life!
- Make your own comets, pulsars, and constellations!
- Discover how we use invisible light to solve mysteries of the universe!

We will also host a **Star Party** at the end of the week where you can look through telescopes and enjoy the beautiful starry night sky.
