

Come Explore the Universe with the Dark Skies, Bright Kids Astronomy Summer Program!

We are offering a week-long astronomy club
and can't wait for the fun to begin!

You will work with real astronomers and get the opportunity to:

- Explore the night sky and travel to other planets with our portable planetarium!
- Learn about galaxies, distant solar systems, and alien life!
- Make your own comets, pulsars, and constellations!
- Discover how we use invisible light to solve mysteries of the universe!

We will also host a **Star Party** at the end of the week where you can look through telescopes and enjoy the beautiful starry night sky.

Who: Open to all *rising* 3rd, 4th, 5th, & 6th graders
When: August 4th *through* August 8th, 2025. 8:30am - 3pm daily.
Where: Tangier Combined School
Cost: FREE!
Contact: dsbk_summercamp@virginia.edu or 434-924-5074

To register for this program, please fill out the application on our website at <https://www.darks skiesbrightkids.com/camp> or at <https://forms.gle/isdK196WGDfv3EuB6> before July 25*, 2025.

*After July 25th, applications will still be accepted on a first-come, first-serve basis until the camp is full.
